

{LETTER FROM THE DIRECTOR}

Dear Friends and Partners,

2010 was a landmark year for ENLACE. It represented the culmination of a five-year plan that set an aggressive path for growth. We started out in 2006 partnering with six churches and serving over 5,000 people. In 2010, we equipped 32 churches, serving over 46,000 people and completed 59 sustainable health, infrastructure, and community economic development projects throughout the country. By the close of the year, over 70 new churches had signed up to participate with us in the coming years.

With our proven methodology and a new strategic plan set in place, 2011 marks the beginning of a vision that will radically transform the lives of the poor in El Salvador. By 2015 we plan to equip a total of 100 churches and impact the spiritual and material lives of 250,000 people.

We want to thank you for your incredibly generous support of ENLACE in 2010. Your gifts came at great sacrifice, and we truly appreciate you and your commitment to ENLACE. Please pray about how you can continue to partner with us to see the 2015 vision become a reality!

Blessings and thank you again,

Ron Bueno
