Notes to Financial Statements

December 31, 2017 and 2016

1. NATURE OF ORGANIZATION:

Enlace USA (EUSA) is a nonprofit corporation incorporated in the state of California. EUSA is a Christian development organization that exists to alleviate spiritual and physical poverty by equipping local churches to transform communities.

In order to realize this mission, EUSA works to:

- Provide training, coaching, and consulting to church partners to serve effectively their communities
- Provide training and technical assistance to local churches and community organizations to identify, design, manage, and evaluate projects and programs in their communities
- Identify and develop partnerships with local and international organizations, foundations, businesses, and individuals that share a common vision to assist the poor
- Facilitate forums to exchange information, coordinate activities, and create a concerted action among and between church leaders, community members, and other agents of development.

As a not-for-profit organization, EUSA is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). As such, it is also exempt from state income taxes, and contributions by the public are deductible for income tax purposes. EUSA has been classified as a publicly supported organization, which is not a private foundation under Section 509(a) of the Internal Revenue Code. Income for EUSA primarily consists of contributions from individuals, churches, and other organizations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of EUSA have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies adopted by EUSA are described below.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For the statements of financial position and cash flow purposes, cash and cash equivalents consist of cash on deposit at financial institutions. At December 31, 2017 and 2016, EUSA's cash balances exceeded federally insured limits by approximately \$0 and \$9,000, respectively. EUSA does not believe these funds to be at substantial risk of loss due to the lack of federal insurance coverage.

PLEDGES RECEIVABLE

Pledges receivable are recognized as contributions when received and recorded at fair market value based upon estimated future cash flows. Unconditional pledges that are expected to be collected within one year as well as future years are currently recorded at the full pledged value. A discount has not been recorded because it is immaterial to the financial statements. As of December 31, 2017 and 2016, management believes pledges receivable are fully collectable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FIXED ASSETS

All expenditures of \$500 or more for equipment or intangible assets are capitalized at cost. Depreciation and amortization is computed on the straight line method over the estimated useful lives of the assets, five years. All fixed assets have been fully depreciated as of December 31, 2017 and 2016.

NET ASSETS

The financial statements report amounts by class of net assets:

Unrestricted net assets are those currently available at the discretion of the board for use in EUSA's operations and those resources invested in equipment.

Temporarily restricted net assets are those which are stipulated by donors for specific programs.

All contributions are considered available for unrestricted use unless specifically restricted by the donor, by time restrictions, or subject to legal restrictions.

SUPPORT, REVENUE, AND EXPENSES

Contributions are recorded when cash or pledges have been received, or ownership of donated assets is transferred to EUSA. EUSA receives gifts-in-kind, which are recorded as support at the estimated fair market value on the date of the gift.

Contributions are recorded as temporarily restricted if they are received with donor stipulations that limit their use through purpose and/or time restrictions. When the purpose restriction is fulfilled or the time restriction expires, the net assets are reclassified from temporarily restricted to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. For contributions restricted by donors for the acquisition of long-lived assets, the restriction is considered to be met when the funds are expended on the intended purpose.

Other revenue is recorded when earned. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

For the years ended December 31, 2017 and 2016, four donors gave 45% and 47% of the total contributions received by EUSA, respectively.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various program services and supporting activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting activities. Currently, there are no joint costs that have been allocated among the program, general and administrative, and fundraising functions.
